

Middle School Sports are a great way for your child to participate in an after school activity that promotes healthy competition in a safe environment. The Masters Academy offers the following team sports for the middle school age level: Basketball (boys), Basketball (girls), Flag football (boys), Soccer (boys), Soccer (girls), Track and Field, and Volleyball (girls).

In order to try-out or participate in any sport for the next school year you must turn in a completed FHSAA Preparticipation Physical Evaluation form (EL2) and the Consent and Release from Liability Certificate form(EL3). Also, we require proof of health insurance from each student. These forms need to be turned into the P.E office. The cost will be \$100 per sport.
